FOREST RIVER MOBILE OFFICES

- The slant V-nose construction allows for better fuel economy, ease of towing and additional storage including the spare tire and 100 ft flexible power cord.
- With our superior manufacturing techniques the Forest River Mobile Office comes with one of the highest insulation values in the industry. Our Mobile Office units have 3" thick walls with wiring hidden inside and surrounded by Radiant Technology Insulation resulting in "R" values as high as 38 at 80°.
- These units have the toughest entrance door in the industry with double latches at the top and bottom to prevent twisting and insure a tight seal.
- Forest River Mobile Office units come with (4) 5,000 lb stabilizing jacks for added stability when in use.
- Forest River Mobile Office units come with ample interior storage with no wasted space.
- Forest River Mobile Office units come with (2) workstations, flat screen TV with satellite antenna, AM/FM/CD/DVD player, sofa sleeper, microwave and refrigerator.
- Forest River Mobile Office units are Incinolet ready.
- All Forest River Mobile Office units are equipped with UL and CSA approved components.
